

Year 5 Learning Log for  
Autumn 2<sup>nd</sup> Half-Term

Food, Glorious Food

Research Charles Dickens or other authors from Victorian/Edwardian times.

Find out more about a certain recipe or famous chef.

Follow a recipe to make something yummy. Write how it went and evaluate the taste.

Try combining ingredients to make your own food.

Create a crazy recipe or cookbook for an alien/character out of a book or film.

Carry out some work based on *Oliver Twist* or another historical text.

Research Fairtrade products.

Learn a song or be able to play a piece of music from *Oliver!*

Research where ingredients are grown or processed.

Investigate artists who work with food/ice. Can you design or even create your own masterpiece?

Look at the Eat well plate. Keep a food diary to see if you are eating healthily.

These are only suggestions. Choose a couple to do, or use your own ideas - just be creative and learn something!
