## Pupil Premium Report

### PUPIL PREMIUM GRANT

All members of staff, governors and teaching assistants accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within the school environment. The Willows Catholic Primary School is committed to 'Closing the Gap' between vulnerable pupils and the pupil premium forms a vital part of that process. The governors reserve the right to allocate the pupil premium funding to support any pupils or groups of pupils the school has legitimately identified as being socially disadvantaged.

Provision will be made through:

- Facilitating pupils' access to education
- Facilitating pupils' access to the curriculum
- Alternative support and intervention within the school

### Reporting Pupil Premium

It is the responsibility of the governors to explain pupil premium expenditure to parents in the form of an annual statement. There is no set format for the report of pupil premium. The Willows Catholic Primary School has published details of a report online annually from September 2012. This report aims to detail information on how Pupil Premium has been used within school. It details the attainment and progress of pupils who are covered by the premium and the intervention that has been supported by the additional funding. Reports also detail the progress made towards narrowing the gap and this will be supported by reported data and academic progress. Regular updates are presented to the Governing Body of The Willows Catholic Primary School.

### Reporting to Parents

Parents can obtain information on the pupil premium via the school's website. This will be update annually.

**Responsibility for reporting** The responsibility for the report will be allocated to the Headteacher. This report will be supported by key providers of the school's inclusion services if required. Subject Leaders will be asked to report on the interventions in place for key pupils and the impact that intervention has had.
