

Numeracy

- Tens and ones in a number.
- Money and the value.
- Adding and subtracting.
- Solving mathematical problems in relation to adding and subtracting.
- Measuring lengths in cm and metres.
- Counting confidently in 2s, 5s and 10s and use this to solve mathematical problems.

Religious Education

In R.E. we will continue to look at the theme of mysteries. We will be learning about Mary and Joseph and that Jesus is God's gift to the world.

Our Theme is
Fighting Fit!

Information -

Parts for the Nativity have been given out. School will be providing the costumes. If your child is a Narrator please can you support them to read their lines. More information regarding tickets will be going out over the next week.

Literacy

In Literacy we will be reading the story of Prince Cinders, making predictions about the characters and storyline. We will be retelling the story orally and using our acting skills to be different characters.

In other areas of the Curriculum:

In Science we will be looking at; What we eat, how to look after ourselves and what happens to our body as we exercise.

In Art we will be looking at creating a press print design.

In P.E. we will be focusing on dance with a focus on the seaside.
