

Newsletter 1
November 2018

Welcome

Our school council are looking forward to making a difference this year. We met last term to discuss our ideas for the academic year. We thought of lots of ideas and will share some of them with you over the year.

We have already started adding to outdoor worship area. We have added our latest news and photos to our school website. Take a look.

Idea 1

The school council wanted to improve the outdoor area by adding benches and extra play equipment. We thought of different ways to raise money so that we can buy these additional items.

Competition

Starting from Monday 26th November we will be running a competition; guess the name of the elf. At break time the school council will be in the Year 2 classroom with the giant elf and the name cards for you to choose a name.

It will be a 50p a go and the lucky winner will be revealed on Friday 7th December. All money raised will go directly into our saving pot for extra play equipment outside.

If you have any ideas that you would like to share with the School Council then please comment below and send back into the School Office.

Thank you
