

## Numeracy

- Estimating.
- Telling the time to half hour and quarter past.
- Counting in multiples of 10.
- Identifying shapes and their properties.
- Becoming confident with number bonds to 20.
- Solving mathematical worded problems.

## Religious Education

In R.E. we will finish our theme of mysteries. The children have worked really hard looking at this area. They have enjoyed reading and discussing the stories from the bible.

Our Theme is  
Explorers!

Please ensure that you read daily with your child.

Weekly spellings and Maths homework will continue.

Please log on to Active Learn for your child to have a go at reading books on there and answering the questions.

Thank you.

## Literacy

In Literacy we will be looking at stories by the same author; Simon Bartram.

We will be looking at apostrophes in the contracted form; don't, can't, wouldn't, you're, I'll and many more.

We will also be trying to use *while*, *before* and *after* in our writing.

In other areas of the Curriculum:

In History we will be looking at famous explorers; Christopher Columbus and Neil Armstrong.

In Geography, we will be locating the world's seven continents and five oceans.

In Art we will be continuing creating a press print design.

In P.E. we will be continuing

With dance.
