

Research ways of attracting more wildlife into your garden and produce a leaflet to show this.

**(2 points)**

Design a poster which encourages healthy eating.

**(1 point)**

Find out about a variety of foods grown in different countries. Explain why some foods are grown there. Can you find some foods which are not grown in the United Kingdom and explain why?

**(2 points)**

Find out about animals which are at risk of becoming extinct. Is there anything being done to stop this? Do you think enough is being done? Could you suggest anything more which could be done?

**(2 points)**

## Hunted

Learning log due:

Monday 25<sup>th</sup> February 2019

Your work must total a minimum of 3 points

Draw or paint an animal which is at risk of becoming extinct.

**(1 points)**

Find some mini beasts and make some sketches.

**(1 point)**

Find out about artists who are inspired by plants and animals. Copy one of their works of art (draw/paint).

**(1 point)**

Research information about folk tales. Write your own folk tale based on what you have found and produce a booklet with a drawing

**(3 points).**

Design a minibeast home. Explain what materials you would use. Where would you build the home and why?

**(2 points)**

Design and draw a minibeast home. Label each section to show what material is.

**(1 point)**
