

Numeracy

- Adding and subtracting 2 digit numbers.
- Counting back in 10s and 1s.
- Completing block graphs.
- Learning about grams and kilograms.
- Learning about millilitres.
- Continue to look at doubling and halving.

Religious Education

In R.E. we will be looking at and finding the meaning of the apostles, Pentecost and the Holy Spirit.

Our Theme is
'The Wind in the Willows.'

Computing—

We will be looking at presentations, completing this in paper and computer form.

P.E—

We will be working on our throwing and catching skills.

Literacy

In Literacy we will be looking at writing a letter to the Queen for her birthday. We will also looking at adding endings to words such as 'ed' 'ing' 'es/s'.

We will start to look at the story of 'The Wind in the Willows.'

In other areas of the Curriculum:

In Science we will be looking at; Minibeasts and habitats.

In DT we will be creating our favourite character from 'The Wind in the Willows'.

In Geography we will be learning about seasonal and daily weather patterns in the UK.
