CAFOD
Just one world

God's People

Christians believe that the diversity of the world and its people is God's gift. Jesus in his life and gospel, challenges people to appreciate diversity and to create with it a harmony that reflects the unity of Father, Son and Holy Spirit. This is reflected in the work of CAFOD. We will be learning about the work of CAFOD and about three modern day important people who lived out God's message.

Famous Quote from Martin Luther King

'I have a dream that my four children will one day live in a nation where they will not be judged by the colour of their skin but by the content of their character. I have a dream today.'
