

Judaism

Year 1
Sum Term

In this unit the children will learn through stories about Moses and Abraham and how God led the Jewish people.

Background Information

Abraham is the father of the Jewish nation. He answered God's call to leave his home and journey to the land that God promised him. He promised to make Abraham and his people a great nation. Abraham helped people understand that there is only one God. He was a leader who helped the Jewish people escape from the slavery on Egypt. God gave Moses the Ten Commandments to live by.

Key Knowledge
