

# ART Drawing - Key Learning

Produce creative work and explore ideas and record experiences:

- In response to first hand observations – real objects, pictures, artefacts and experiences
- Talk about their ideas and choices they have made: media and materials
- Begin to work creatively: range of HB pencils on different scales

shade	How dark a colour is depicted
tone	The range of lightness and darkness in a colour
shadow	The way shading depicts darkness
perspective	The impression of depth within a picture suggesting foreground and background

What will we be learning about in this topic?

## DRAWING

Explore mark making

Use different HB pencils

Finger drawing with paint

- Responding to stories, descriptive drawings of Hairy McClary and the three little pigs.
- Drawing descriptive words, wavy, straight, jagged, wiggly etc. Drawing on different surfaces
- Linked to the history learning opportunity, children examine images of buildings from 1666.
- Make drawings on different scales including large scale or group pieces using charcoal and chalk and different grade pencils.
- Experiment with shading using charcoal and graphite sticks to create light and dark tones. Experiment rubbing into shading with rubbers.
