

Long Term Curriculum Map

Science						
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	Animals My Body- Senses	Animals Other animals	Plants Common Names & Basic Structure	Light & Astronomy Seasonal Changes	Materials Everyday materials	Animals Humans
Year 2	Health How We Grow	Materials Uses of materials	Health How We Stay Healthy	Animals Growth/Survival	Environment Living Things & Habitats	Plants Plant Growth
Year 3	Forces & Magnets	Material Properties Rocks & Soils	Animals Skeletons & Movement	Animals Health & Nutrition	Light & Astronomy Light, reflections & shadows	Plants Functions parts and plant growth
Year 4	Sound	Materials & Changes States of matter	Environment Living Things & Habitats	Animals Teeth, Eating & Digestive System	Materials & Changes States of matter	Electricity
Year 5	Forces Effects on movement	Material Changes Reversible & irreversible changes	Light & Astronomy Earth & Space	Materials Testing Properties	Environment Observing Life Cycles	Animals Human Life Cycles
Year 6	Light & Astronomy How light travels	Living Things & their Habitats Evolution & Inheritance	Animals/Health Exercise, Health	Animals/Health Human Body & Circulatory System	Living things & their Habitats Classification	Electricity
