Key Vocabulary

Art	A visual form of creative activity and imagination.
Palette	Within computer graphics, this is the range of colours or shapes available to the user
Style	A particular way in which something looks or is formed.
Fill	Causing an area to become full, in this case, of colour
Pointillism	Pointillism was a development of impressionism. It was invented mainly by George Seurat and Paul Signac. Pointillist paintings are created by using small dots in different colours to build up the whole picture. Colours are placed near each other rather than mixed.
Surrealism	Explored the subconscious areas of the mind. The artwork often made little sense as it was usually trying to depict a dream or random thoughts.
