

Year 5 French: Autumn 2

Time in the city

In this module:

During this half term the children will revisit and extend their knowledge of places in a town from Stage 2 Autumn 2. They will explore a French city (Paris or Bordeaux) and design a city of the future. Children will become tour guides, describing a real or imaginary city, and they will revisit asking politely for something in two new contexts: an entrance ticket for a city attraction, and a present in a shop.

Through songs, games, native speaker clips and independent tasks, they will explore the following content, topics and language:
